

# GENEALOGY III RESEARCH: FINDING DEATHS

Need 2-3 different kinds of records to confirm the person found is the one you want.

NatLib = National Library of N.Z.

# GENEALOGY III RESEARCH: FOR DESCENDANTS

This Chart shows the records and strategies involved to find the descendants of a family - to talk to.

## Success

Best with unusual Name/Surname, and occupation/s, of a family who has few moves, all in N.Z.

In an afternoon, I took a family from 1882 to ringing the descendant that evening.
