GENEALOGY

Acknowledgments

- I am grateful to Vivienne Parker for letting me use her wall chart at Family Records Centre, Penrose, Auckland; also for many useful comments concerning these Facets, especially those of my cousin-in-law, Janice Cornwell, and colleague, Allan Penney. Also Audrey Collins of The National Archives, Kew, London. I am also grateful to my daughter, Caroline Wood for her support.
- Also many grateful thanks to all my clients, and all those asking questions at my 'Helpdesks'.

- TO WHOM IT MAY CONCERN

- 1. I would like this to be peer-reviewed.
- 2. I would like it to be PUBLIC DOMAIN.
- 3. It still needs to be referenced. I have done what I remember.
